KILLED FRIEND BY ACCIDENTAL SHOT

Rifle Ball Passes Through Partition and Enters Brain of a Thatcher Man

Special to the Silver Belt.

THATCHER, Ariz., September 11.—A double funeral was held from the meeting house here yesterday afternoon over the remains of George Thorpe and A. F. Sweet, two well known young men of the Gila Valley, who enjoyed the confidence and admiration of all who knew them.

George Thorpe had been a resident of the Globe district for a number of months, conducting the boarding house at the Continental mine. He contracted typhoid fever and was brought to his home in this city about two weeks ago. He died Monday night in the 27th year of his age. Thorpe is survived by a brother, who is operating a sawmill on Mount Graham.

A. F. Sweet was accidentally shot and instantly killed by a companion at the camp of the Mount Graham Lumber company on Mount Graham, south of Thatcher. The young men were in different rooms, separated by a thin board partition. Sweet's friend was handling a rifle, which was unexpectedly discharged. The bullet passed through the partition and entered Sweet's brain. Death was instantaneous. Sweet was 21 years of age and a resident of Eden. The young man who accidentally discharged the rifle came to Thatcher and surrendered to the officers. He was exonerated by Coroner Layton.

USUAL GRIST PAY DAY JAGS
An Old-time Offender to Serve the County for a Term of Sixty Days

The usual grist of pay day jags was ground out in Justice Hinson Thomas' court yesterday afternoon. John B. Walters, an old-time offender, was arraigned on a charge of disturbing the peace. He entered a plea of not guilty, admitted that he took on a burdensome jag, after which the whole performance was a blank to him until the subdued sublimity peeped through the iron doors of the city bastille yesterday morning. Witnesses testified that John visited the Valley freight sheds on Tuesday afternoon while in an intoxicated state, and had a mean, unexpressed desire to talk over the telephone line. He was accorded the privilege, but changed his mind and tried to mix matters with John Keegan Jr., who was busy preparing a shipment of freight. Keegan delivered a left swing and Walters was down for the count. Revising a few minutes later, he tried a go with another party with equally disastrous results. An officer chanced along and John went to the "corner." "Let me see," said Judge Thomas, "you've been before me a number of times during the past few months?" John admitted the gentle imputation. "Sixty days at hard labor in the county jail," replied the court and John went back to the cage. Jesus Yrena, Jose Echola, Aug. Saw-shez and M. Abundis entered pleas of guilty to plain drunk charges and were respectively sentenced to serve eight, fifteen, twelve and ten days in the county jail.

Spud Famine Believed

After a Journey of Three Sleeps

The caravan of the HOME INVESTMENT COMPANY halted at the wickup of Chief Mud-in-the-Face and smoked the pipe of peace. As we had listened to a few musical selections on the tom-tom of Mud's medicine and musical director, and after the classical notes of this medical powwow had gurgled a few dying notes to the sobbing distant pines, and we were initiated to the royal order of "dusky who's," we were informed by the chief that the "bulls" bears of White mountains were not in union with the bulls and bears of Wall street. Chief Mud instructed us to sell the mud of the Globe in lots and localities to suit the homeseeker; to build houses, lots and rent homes. Buying or selling, see the other fellow, then.
